

Memorandum of Understanding

Based on a proposed Sister City relationship between Grand Prairie, Texas, USA and Kalush, Ukraine promoting further friendship and goodwill both cities agree to the following:

1. To support and encourage mutual visits by the citizens of both cities.
2. To support establishing friendship affiliations between schools and organizations of both cities.
3. To promote cultural exchanges in the areas of art, music, the performing arts and others, along with sports activities.
4. To encourage exchange in academics and education by working with local schools and colleges of the perspective sister-cities.
5. To develop a mutual understanding of the citizens of both cities by exchanging various information and material.
6. To encourage official visits between representatives from each community. The representatives can include, but are not limited to, civic leaders, church leaders, business leaders, school and government officials.

We, on behalf of the two communities, affix our signatures to confirm this agreement.
