

Twinning agreement between Växjö in Sweden and Kalush in Ukraine

This agreement is signed to establish twinning between the municipalities of Växjö in Sweden and Kalush in Ukraine, hereinafter jointly referred to as the "Parties".

The agreement aims to create cooperation between the parties and their residents, supporting peaceful and democratic development, stimulating local business and raising the skills of both municipal employees and residents through the exchange of knowledge and experience.

The vision of Växjö municipality is that Växjö should be a great place to live and work, for residents, companies and visitors – today and in the future.

Kalush is a municipality bringing the citizens to the fore, where cohesion, humanism, equality and tolerance is highly valued. Kalush is a municipality which aims to ensure social, cultural and environmental satisfaction, as well as a comfortable and safe living environment, leisure and mobility for every citizen.

- The parties shall promote the development of friendly relations and exchanges of knowledge and experience benefitting reciprocally the parties' municipal administrations and companies as well as other organizations, business and residents, in particular within the focus areas;
 - Education
 - Business development
 - Sustainable development
 - Culture
 - Sports

- The parties sign the agreement for an indefinite period, but the agreement is evaluated every five years from the date of signing and focus areas may then be extended or changed.
- The parties enter an agreement in duplicate, one for each party, both containing the text of the agreement in English, Swedish and Ukrainian. In the event of disagreement or dispute, the English text of the agreement shall prevail.
- The parties may individually terminate the agreement in writing at any time so decided.
